an estimated commission processing date for a commission;
a face amount of a policy;
a premium for a policy;
a mode for the premium of a policy; and
an issue age of a policy

6. (Original) The method of claim 4, wherein said commission detail information further comprises:

a split percentage of a policy;
a commissionable amount of a policy;
a commissionable rate of a policy;
an estimated gross commission for a policy; and
a reference number for a commission.

7. **(Currently Amended)** A computer readable medium including a software application for enabling interactive access to and verification of agent commission information, said software application comprising:

one or more instructions for receiving agent identifying information and agent commission information, wherein said agent identifying information comprises at least one selected from the group consisting of a name, an address, and a telephone number;

one or more instructions for analyzing and sorting the received agent identifying information and agent commission information;

one or more instructions for saving the agent identifying information and the agent commission information;

one or more instructions for providing an interactive display of the agent identifying information and the agent commission information;

one or more instructions for providing interactive access to a display of detailed agent identifying information; and

one or more instructions for providing interactive access to a display of detailed agent commission information.

8. **(Currently Amended)** The computer readable medium of claim 7, wherein said agent identifying information further comprises:

a writing code[[:]]

~~a name;~~

~~an address; and~~

~~a telephone number.~~

9. **(Original)** The software application of claim 8, wherein said detailed agent

commission information comprises:

policy information; and
commission detail information.

10. (Original) The software application of claim 9 wherein said policy information comprises:

a policy number;
a client name;
a product name;
a company name; and
an issue date.

11. (Original) The software application of claim 9, wherein said commission detail information comprises:

an estimated commission processing date for a commission;
a face amount of a policy;
a premium for a policy;
a mode for the premium of a policy; and
an issue age of a policy.

12. (Original) The software application of claim 9, wherein said commission detail information further comprises:

a split percentage of a policy;
a commissionable amount of a policy;
a commissionable rate of a policy;
an estimated gross commission for a policy; and

a reference number for a commission.

13. **(Currently Amended)** A server system for enabling interactive access to and verification of agent commission information, said system comprising:

a receiving element for receiving agent identifying information and agent commission information, wherein said agent identifying information comprises at least one selected from the group consisting of a name, an address, and a telephone number;

a processing element for analyzing and sorting the received agent identifying information and agent commission information;

a saving element for saving the agent identifying information and the agent commission information;

a displaying element for providing an interactive display of the agent identifying information and the agent commission information;

a first interface element for providing interactive access to a display of detailed agent identifying information; and

a second interface element for providing interactive access to a display of detailed agent commission information.

14. **(Currently Amended)** The system of claim 13, wherein said agent identifying information further comprises:

a writing code[[:]]

~~a name;~~

~~an address; and~~

~~a telephone number.~~

15. **(Original)** The system of claim 13, wherein said detailed agent commission

information comprises:

policy information; and
commission detail information.

16. (Original) The system of claim 15 wherein said policy information comprises:

a policy number;
a client name;
a product name;
a company name; and
an issue date.

17. (Original) The system of claim 15, wherein said commission detail information comprises:

an estimated commission processing date for a commission;
a face amount of a policy;
a premium for a policy;
a mode for the premium of a policy; and
an issue age of a policy.

18. (Original) The system of claim 15, wherein said commission detail information further comprises:

a split percentage of a policy;
a commissionable amount of a policy;
a commissionable rate of a policy;
an estimated gross commission for a policy; and
a reference number for a commission.

19. **(New)** The method of claim 1 wherein said agent identifying information includes a name, an address, and a telephone number.

20. **(New)** The computer readable medium of claim 7 wherein said agent identifying information includes a name, an address, and a telephone number.
